

Yellow Jasper

Welcome to our Yellow Jasper – our Gemstone Getaway
where you will feel **Home away from Home!**

We named this family project the “**Gemstones Getaway**”, and are on the search for the nicest holiday places, offering comfort, security and convenience to vacationers. Our vision is to offer our guests a selection of great vacation accessible luxury getaways. **Aquamarine** was our first project which we opened to our guests in 2018, we are proud to present starting 2020 our second project, **Yellow Jasper**.

Please also observe the rules of the pool displayed in the pool area!

At the end of your vacation, when you need to go back, you will be probably traveling to Malaga Airport. We recommend to **check the traffic before you leave** (e.g. Google Maps) to determine best route. The A7 can be very busy at times so taking the pay road **AP7** could be a wise decision to avoid stress. At minimum, you should calculate **45 min traveling time** between Yellow Jasper and Malaga Airport.

Please check as well the **house rules** provided in the welcome book and on our website to familiarize yourself with some guidelines and avoid misunderstandings – Thank You
